

# Prince George's County Office of Homeland Security

## Office of Emergency Management

# TRAINING ANNOUNCEMENT

Title:	Basic Community Emergency Response Training
Description	<p>CERT personnel train to prepare for disasters or an overwhelming event by identifying and mitigating potential hazards in the home, school and workplace. CERT personnel initiate plans to prepare themselves, their loved ones, neighbors or fellow employees and classmates until professional response resources arrive.</p> <p>CERTs learn to:</p> <ul style="list-style-type: none"><li>• Locate and turn off utilities</li><li>• Extinguish small fires</li><li>• Triage and treat victims</li><li>• Understand the psychological impact of a disaster on themselves and others</li></ul>
Target Audience	All citizens that worship, live, work, or play in Prince George's County
Additional Information	Parking, breakfast, and lunch are free; more information will be given later. Please register as soon as possible.
Date, Time, & Location	Multiple training opportunities are available; please choose the date or the class that fits your schedule.
